SUPPLY A TEACHER GRANT RECIPIENTS AWARDED A TOTAL OF \$31,250!

The Supply A Teacher Program aims to aid teachers who are NEC Co-op Energy members. As we know all too well, teachers are often burdened with the task of using their paychecks to purchase supplies, activities, and even equipment for their classrooms. Through this program, NEC Co-op Energy intends to impact as many children as possible and what better way than through their educators.

Twenty-five teachers were selected to receive grants from \$500-\$2,500. If each teacher has even 20 students in their classroom, this means these funds benefit at least 500 students! Below are the 2023 Supply A Teacher grant recipients.

\$2,500 Grant Recipients

Amanda Gracia – Tuloso Midway High School
Scott Grote – Ingleside Leon Taylor Junior High
Latonya Beckett – Calallen East Elementary
