

# Upgrading Your Payment Portal

Taking your account to the **next level**

New Update,  
**More Options**

[NECCOOPENERGY.COM](http://NECCOOPENERGY.COM)

## Why is My Account Being Updated?

With your best interest at the top of mind, along with our continuous efforts to provide the best possible electric service, NEC Co-op Energy is pleased to announce that your payment portal will soon be hosted by Gridlock, owned by SmartGridCIS.

We are confident that this transition will provide easier payment methods, as well as provide some new features that you will surely enjoy.

Visit our website New Payment Portal FAQs for more info!

## Setting Up Your **New Account**

### Click "Register" to Begin

To begin, simply click register and enter the requested information such as name, most recent account number, zip code, etc.

### Fill Out Information

Next, validate your information, create a password, and register.

### Complete Registration

Grow Local South Texas  
website and Youtube

## Simple, Tasty, Local

NEC Co-op Energy is proud to partner with Grow Local South Texas to bring you the **Cook Local series**, available now on the Grow Local South Texas website and Youtube channel!

Bellino Ristorante Italiano e Bottega restaurant owner Francesco Inguaggiato is one of Corpus Christi's local chefs featured in the series who shows us how to make simple, healthy dishes using local ingredients found at the Corpus Christi Downtown Farmers Market. **Ready to start cooking local?**
