

NEC Co-op Energy

\$50 - \$50 New Member Referral Program!

For Residential & Commercial Service

Newly joining Members and Valued NEC Co-op Energy Members can both earn electric bill credits when they refer family, neighbors, friends, and businesses to NEC Co-op Energy. Provided that the new Member has NEVER had service with NEC Co-op Energy before and stays with us for at least 60 days!

Both new and referring member receive a \$50 electric bill credit!

Note: This program is subject to change and or cancelation without notice.

Rules & Eligibility

Rev. 5-31-19

- The new member (never had service with NEC Co-op Energy before) must identify referring member, by NEC member name and NEC Co-op Energy account number, on his/her enrollment application with NEC Co-op Energy . No referrals are accepted AFTER an individual has already submitted his or her enrollment form to NEC Co-op Energy.
- The \$50 bill credits will be issued to both YOU, newly joining member who has never and service with NEC Co-op Energy before, and YOU, the referring active member, on your first billing cycle following the issuance of the new member's first bill. This should be within approximately 60 days of the new member's permanent service connection, with NEC Co-op Energy as the chosen power provider.
- ONLY NEW MEMBERSHIPS WHO HAVE NEVER HAD SERVICE WITH NEC CO-OP ENERGY ARE ELIGIBLE. Each new member you refer must have been accepted by NEC Co-op Energy and have permanent service connected on the date before the program ends in order for you to be eligible to receive a bill credit under the referral program. If a joining member was an NEC Co-op Energy or NEC Retail member in the past, THIS PROGRAM WILL NOT APPLY.
- No bill credits will be issued to referring member accounts that are not currently active with NEC Co-op Energy. Exception: If an existing member sells their home or business which this location currently has electricity with NEC Co-op Energy to a new membership, the new membership can refer the selling member and the credit will be given on the selling member's final bill.
- Bill credits may be transferred between a member's accounts. Bill credits may only be issued to the account identified on the new member's enrollment form.
- ONLY permanent Residential and Commercial services are eligible for this program (includes rental property, offices and oil/gas wells). Water wells, security lights, barns, guard's shacks, hunting or fishing cabins, drilling rigs, construction services as well as temporary and seasonal services are not eligible for the referral bill credits.

- Quantity limitations: Only one credit per new membership. If a new member joins and connects multiple electric accounts, only one \$50/\$50 referral will be given.
- New membership account must stay with NEC Co-op Energy for at least 60 days.
- Nueces Electric Cooperative employees (who are members) or Directors are only allowed to referral new members in the IOU areas. NEC Co-op Energy employees and each of their respective immediate family members are ineligible to participate in the Member Referral Program.
- NEC employees or their contractors are not allowed to give out names of existing members to refer.
- If you are a newly joining member and do not know an existing member, please ask your family and friends if they are a member to refer them. If you do not know anyone to refer, then there will be no credits given from this program. After joining, we encourage you to please go out and refer other new members who can then refer you to receive a referral credit when they join.
