ACTIVE DUTY & VETERAN'S MEMORIAL DAY ELECTRIC BILL CREDIT PROGRAM

NEC Co-op Energy is proud to offer a recurring annual \$25 electric bill credit to our fellow American men and women who currently serve or have served in the military. The credit will appear on their bill coinciding with Memorial Day assuming the account is active. The Veteran's name must appear on the NEC Co-op Energy Account, and only one Veteran per account will be credited each year. Verification of Veteran status is required prior to a credit being issued and can consist of any of the following:

(NOTE before submitting, please mark through your ID# and SSN#)

- a. Copy of Military ID card
- b. Copy of Recent paystub from the military in the name of the member
- c. Copy of Driver's License showing military service
- d. Copy of DD214 Form

*Copies can be obtained at: <http://www.archives.gov/veterans/military-service-records/index.html>

- e. Copy of other proof of military service

Veteran status verification can be submitted to NEC Co-op Energy up to April 26 of any year for a credit that calendar year. Any verification received after April 26 will be credited beginning the following calendar year if the account is still active.

Verification can be mailed to:

Please note: Several NEC employees and a Board Member are veterans that proudly served.
