

SEVERELY BURNED VETERAN'S CREDIT PROGRAM

Program Summary:

- On October 26, 2013, the **Severely Burned Veteran's Credit Program** was approved by the Board of Directors of Nueces Electric Cooperative.
- The Program provides for a \$50.00 per month credit for the months of May through October on the primary residential electric service account only of the NEC Co-op Energy Member who is a Severely Burned Veteran and has completed the Application process. The credit is only valid on one electric account.
- A medical military facility certification is required for an applicant/member to be eligible for this Program.
- Medical confirmation will be necessary every twenty-four (24) months to continue Program participation.
- The Applicant/member must be a military veteran who has significantly decreased ability to regulate his or her body's core temperature because of severe burns received during armed conflict or in combat.
- The completed application is required to be faxed by a military medical facility to (361) 387-2919.
- The current terms of service and your rights as a member of NEC Co-op Energy shall apply to the Program, including payment and collection.
- This Program can be modified or cancelled at any time without notice.

Other Program Eligibility:

- Applicant may also participate in any other Veteran programs offered by NEC Co-op Energy at any time.
- Applicant may also contact their power line provider to request information on other Severely Burned Veteran programs, if any, for the delivery/lines portion of an electric bill.

SEVERELY BURNED VETERAN'S CREDIT PROGRAM APPLICATION

The *Severely Burned Veterans' Credit Program* provides for a \$50.00 credit to qualified electric rate customers for the months of May through October of every year. In order to be eligible, all of the following conditions must be met:

- Applicant must be a military veteran who has a significantly decreased ability to regulate his or her body's core temperature because of severe burns received during armed conflict or in combat.
- Applicant must provide confirmation from a military medical facility, such as San Antonio Medical Military Center (SAMMC), that Applicant has a significantly decreased ability to regulate his or her body's core temperature due to severe burns. The Applicant must provide medical confirmation every twenty-four (24) months to continue participation in the Program.
- The credit may only be used on the Applicant's electric account at their primary residence where they currently reside. The credit will apply only if the Applicant is the Member of Record on the NEC Co-op Energy account.

If the Applicant meets the above-stated conditions, Applicant shall complete Part A. Part B must be completed and submitted by a Physician or military medical facility indicating that the Applicant meets the first bullet requirement.

Please ensure all information is correct and provided in a timely manner.

If you have any questions, please call NEC Co-op Energy toll free at 855-632-7348 to speak to a Member Care Representative.
